Newsletter: Term 1 Week 1

February 1st, 2024

From the Principal—Tom Mangan

Welcome back to everyone.

It was great to see everyone so excited to begin our year. The new preps had a fabulous first day and their confidence grew throughout the day. I am sure they had a well-deserved rest yesterday and they were back into the swing of things pretty quick this morning. Well done our new Preppies.

This year we have split our school into 2 groups for Monday-Wednesday.

Attending Rochester

ROCHESTER
PRIMARY SCHOOL

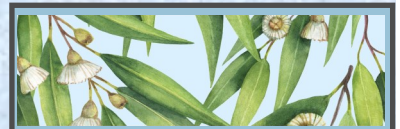

This year our students will be joining in with Rochester Primary School on Fridays each week. **We will be starting these visits tomorrow.** It was really pleasing to see the development of our students through these visits last year and I am looking forward to seeing it continue this year.

Our visits are a great opportunity for our students to build social connections with more students and develop their social skills while being able to participate in composite classes. This was extremely beneficial last year, especially for our students as they headed into secondary school.

Grounds

With the removal of some trees around the grounds last year, stumps will hopefully be being removed this weekend, our grounds will be getting a bit of a revamp in certain areas. We look forward to these developments throughout the year.

We have been fortunate to once again receive the Active Schools Grant which we will utilise to increase our student's activity levels. Keep your eyes peeled for our development with this.
