PRINCIPAL'S REPORT

1. Assembly, we will be moving this to Monday afternoons at 3pm for the remainder of this year so that I can attend them. – [four parents turned up for assembly which is good outcome.](#)
2. We have proposed dates for our Sleepover/Base Camp of Thursday 2nd of November this will be followed by Pet Day on the Friday morning, parents will be invited to bring students pets in for a “parade” at 9am. – [similar to last year. Dan Walker from the Landcare Group will be here for a presentation about sugar gliders and have a night walk. Depending on the weather, we'll have toasted marshmallows by the fire, etc. Students will make their breakfast and parents arrive with pets to have a pet parade. Parents are welcome to take students home if they wish.](#)
3. Colour Run- Looking at similar rundown to last year: Stalls 4:30-5:30. Run 5:30-6pm. Dinner 6pm-7pm. Proposing \$5 donation per family to do the run and then charging for the stalls. Reptiles will be back again, we have received a donation from Lockmore Bendigo Bank to cover the cost of this. Need to decide on a dinner option. Could look into getting live music set up for an hour session during dinner? Face painting? Temporary spray on tattoos? [There will be a \\$5.00 family entry this year. Tom to investigate music. There will be a lucky door prize, face painting, lucky dip, drinks, slushies, lollies etc. Echuca Apex club will be asked to do a sausage sizzle – Tom to ask. School Community Association will purchase an air brush tattoo kit. Tom to purchase water pistols for the fun run. Will ask Playgroup if they would like to have a “stall” for sales as well. This year we'll have tubs with coloured water around the course.](#)
4. Pupil Free days coming up, Monday 6th of November, before Melbourne Cup public holiday and Friday 1st of December which will be used for report writing.
