

Nanneella Estate Primary School

Newsletter—Term 3 **Week 5** 13th August 2020

NCI DONATION

Our school is very grateful to Nanneella Community Incorporated for their very generous donation of \$600 to support families and students during these very challenging times. The money will be put to very good use to provide a special event, activity or item for our students. Watch this space for more details! Many people will have seen we were front page news in the Campaspe News on Tuesday of this week. Many thanks to all concerned.

LEARNING FROM HOME

It's been wonderful to see some many students back on line and resuming remote learning activities so well at home. There have been fewer technical and logistical issues this time round, and we certainly appreciate everyone's persistence and patience so far this term.

The change in on-line times seem to be working very well, as have the provision of tasks in the new document wallets. Take home packs can be collected as a general rule between 10am and 4pm from Thursday of each week. There is also a collection tub in which work can be placed, on request, if parents would like to collect the wallets outside these hours.

Google Classroom generally has all the latest updates and information about Learning From Home. Contact to, or from the school can also be made by email, phone or SMS.

PUPIL FREE DAY

School Council has approved **Monday 24th August as a Pupil Free Day**. This will provide staff with some time to organise the transition to remote learning this term.

OVERNIGHT CAMPS

Due to the current situation, camps planned for this term are unable to take place which is very disappointing for all concerned. School Council discussed the predicament at last night's Webex meeting and a motion was passed to approved a combined Base camp and Littleroom sleepover, at a date to be decided, in term 4 should the opportunity arise. We are very hopeful that schooling will return on site, and that camps will be permitted next term.

COMING EVENTS

TERM 3
AUGUST

24th—Pupil Free Day

SEPTEMBER

18th—Footy/Netball Colours Day

END OF TERM 3

**HOME
LEARNING**

TEMPERATURE SCREENING AT SCHOOLS

In order to support community awareness of the symptoms of coronavirus (COVID-19) and to help identify children displaying symptoms, all schools should undertake temperature screening of students attending or participating in the on-site supervision program while the Stay at Home restrictions are in place.

This is an important public health measure to promote awareness of symptoms associated with coronavirus (COVID-19) and to ensure that unwell students remain at home.

Students attending or participating in the on-site supervision program at schools will receive a temperature screen every morning before starting school while the Stay at Home restrictions are in place.

WACKY WEDNESDAYS

Last Wednesday was declared Onesie (or PJs) Wednesday as a bit of fun during Learning From Home. The students are very excited about the idea of a weekly wacky Wednesday, and they have provided many suggestions, more than enough for the rest of this term. We expect an announcement to be made at the start of each week.

LOOKING AT THINGS DIFFERENTLY PERSPECTIVE FROM THE LITTLE ROOM

School Details

159 Bennett Road, Nanneella 3561

Healthy Eating

Our school encourages healthy eating at recess and lunch time. Fresh food is always better than processed foods. Fruit is a great snack option.

FORCED PERSPECTIVE FROM THE BIG ROOM

Help keep Campaspe safe by getting tested and staying home if you have symptoms -

- Fever, chills or sweats
- Cough
- Sore throat
- Shortness of breath
- Runny nose
- Loss of sense of smell or taste

We're all in this together.

To find out where you can get tested go to vic.gov.au/CORONAVIRUS

Test done?

**Go home.
Do not pass go.
Do not collect bread.**

**GET TESTED
IF YOU'VE GOT
THESE SYMPTOMS**

NSW BORDERS RESTRICTIONS

Are you effected? If so you may wish to complete the survey below:

Office of the Cross Border Commissioner

As a means of better informing decision makers on the economic

and social impacts of the recent tightening of the cross border restrictions, Business NSW are conducting a survey of businesses across the functional economic border zone. This survey is designed to assess business impacts across communities in both NSW and Victoria due to the recently constricted border closure. The survey is being conducted in collaboration with affected Local Government councils and Business chambers.

The survey can be accessed [here](#) .
