

Nanneella Estate Primary School

Newsletter—Term 3 **Week 6** 20th August 2020

BIRTHDAY CELEBRATIONS

On Tuesday it was Shay-lee's 9th birthday.

Normally birthdays at Nanneella Estate are celebrated around our meeting place mural where we all sing 'Happy Birthday' and the person who celebrates receives a sticker to wear for the day.

This was our first 'Learning from Home' birthday. As a special surprise for Shay-lee, all the students and teachers made a

sign and held it up for everyone to see at our online morning assembly. We also sang happy birthday over the webex! It was a lovely way for Shay-lee to start her birthday.

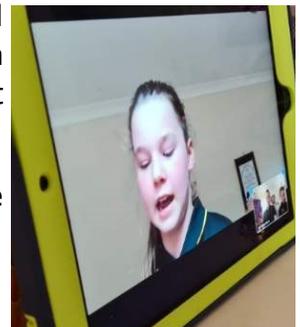

KEEP VICTORIA BEAUTIFUL

On Tuesday afternoon the regional awards for Keep Victoria Beautiful were held over a Zoom meeting. Nanneella Estate had a cast of presenters that included Aunty Neva, Charlotte, Isabella and Shay-lee and they had 2 minutes to tell the judges about our meeting place mural.

Aunty Neva talked about how she came to be involved with the mural and why she thought it was an important piece of artwork. Charlotte, Isabella and Shay-lee talked about the symbols of the mural and how they felt about having such an important symbol at our school.

Everyone did a fantastic job presenting their speeches and the judges were impressed with what they all had to say.

The school has been advised that we are regional winners, and we now progress to the state finals. At this stage the winners of the Victorian Keep Australia Beautiful awards will be announced in early October, the date is to be confirmed. We all think our Meeting Place Mural is already a winner but fingers crossed we can celebrate it even more in October!

PUPIL FREE DAY

Next Monday 24th is a school council approved pupil free day. The day will be used to organise the planning, preparation and administration of the Learning From Home program. The regular on-line meetings and

lessons will not be held on this day.

LEARNING FROM HOME 1

Our Wacky Wednesday "Hat Day" morphed into a Headwear Day with a wide variety of head gear on display. Stay tuned next Monday to find out what our theme will be for next week. Thanks to everyone who was able to join in and make the day a success.

LEARNING FROM HOME 2

Our remote programs and timetables seem to be working quite well at present. Please contact the school if you have any concerns or need any assistance with all you are dealing with at this time.

Whilst there has been no official announcement it looks like remote learning will continue for the remainder of this term. Recent reports show the number of daily COVID-19 case trending downward, so restrictions may be eased as a result. All being well we look forward to students being back on-site in term 4, however this is by no means guaranteed as we have found out how quickly circumstances can change. It is possible that remote learning may continue in term 4, we will just have to wait on decisions of the Chief Health Officer.

GRADES 4-6 ATTITUDES TO SCHOOL SURVEY

This year, the annual Student Attitudes to School Survey will be offered in a slightly different format and take on a more personal approach to include and gauge students perspectives on remote learning. Included in your child's Take Home Pack is a **letter of consent** for you to **read and respond** to **if** you **DO NOT** wish your child to participate in this year's survey.

Student login details will be sent out prior to the opening of the survey on Wednesday 26th August. **Parents must opt-out of the survey if they do not want their child to participate.** The survey remains open from 26th August to 7th September.

Healthy Eating

Our school encourages healthy eating at recess and lunch time. Fresh food is always better than processed foods. Fruit is a great snack option.

Campaspe Shire Council

NSW BORDERS RESTRICTIONS

Are you effected? If so you may wish to complete the survey below:

Office of the Cross Border Commissioner

As a means of better informing decision makers on the economic

and social impacts of the recent tightening of the cross border restrictions, Business NSW are conducting a survey of businesses across the functional economic border zone. This survey is designed to assess business impacts across communities in both NSW and Victoria due to the recently constricted border closure. The survey is being conducted in collaboration with affected Local Government councils and Business chambers.

The survey can be accessed [here](#) .
