GIFT DAY POLICY

Rational

Gift day provides all children with the opportunity to buy small gifts for family members for Christmas. It also provides an opportunity for the children to use money at school in a real life situation.

Gift day also involves current school parents and grandparents for years gone by to be involved in our school to build our sense of community.

Protocol

Gift Day is to be held 2nd Monday in December each year at 9am.

Six former parents/grandparents are to be invited as 'wrappers'.

Each student is to bring items to be sold equal to the number of items intended to be purchased.

Students are able to purchase gifts for: Parents, Grandparents, Brothers & Sisters and any other person other than friends at school.

Spending money to be set at \$3 per child.

Gifts priced 10c, 20c, 30c, 40c.

Grade 6 to begin each shopping session followed by grade 5, grade 4 etc.

Students shop for gifts during four shopping sessions in the following order:-

1. Parents
2. Brothers & Sisters
3. Grandparents
4. Great Grandparents and anyone else listed on gift cards.

Two parents from Parents Club to be in attendance on the day to organize gifts ready for purchase. These parents should be the same each year where possible.

List of gifts tags to be completed by parents.
