Newsletter: Term 4 Week 1

October 9th, 2025

From the Principal—Tom Mangan

Welcome Back

Firstly, welcome back for Term 4. It has been wonderful to see everyone back and getting into the swing of things from day one. Thank you to everyone that was able to spare time to come into school and keep an eye on things over the break. It was great to come back and see our Green Waste pile was gone, our veggie garden was looking nice and weed free, our chickens fed and happy, some weeds sprayed and curling up their toes. This was the first holiday that I haven't ventured into school over the break, and I was nervous about what I would be returning to on Monday, but I certainly didn't need to worry. Thank you

Camp

This week our 3/4 students have joined with the other cluster schools at Billabong Ranch to enjoy camp. Thank you to Miss Whitford for supporting our students at camp during the days. I'm sure our students will be having a great time trying new activities and making new friends. We look forward to hearing all about it when our students return next week.

Rochester Primary School "Food Fight"

Friday will see our students join in the Rochester PS "Food Fight" this is like a colour run with students making their way around a course and having coloured water put onto them. With the food fight they have sponges shapes as different foods to help with this.

A reminder for students to participate they will need to have old clothes to wear during the food fight and get changed before they come back to NEPS as I would prefer my Ute seats to remain uncoloured.

Interviews

Next week we will be holding interviews for all students. Unfortunately, we ran out of time in Term 3 to complete them so we will be holding two sets of interviews this term. The purpose of these interviews is to reflect on the year so far and progress made while setting some goals for the remainder of the year to achieve. Thank you to those families that have already booked in on uEducateUs, if you haven't had a chance please jump on or contact either myself or your child's teacher if you need a hand booking in.

Front Garden

Our new fence panels are in and look great. Next week Bunnings will be coming to plant some plants and spread mulch to really bring the space to life. Our final step will be the installation of a watering system to keep it in tip top shape.

Many thanks to Bunnings for their donation of plants and time, we really appreciate the support.

Feel free to welcome Jessie when you see her.

SWPBS

Our acknowledgement cards have arrived and the students have been demonstrating our values beautifully. Students receive the acknowledgement cards when they show one of our school's values. This then goes towards their individual tally, the class tally as well as the whole school tally. Students were involved in selecting the various rewards they receive when achieving certain amounts of acknowledgements, as an individual, class and school. As a school we are currently working towards a Crazy Hair Day. Thank you to Michelle for bringing everyone's ideas together to create our cards as well as developing the displays around the school.

Hall Upgrades

It was great to see the revamp happening over at the hall, with the new seating, paved area and gardens. It looks fantastic, have a look at it next time you pass by and see if you can spot our pavers in the mix.

MANGO FUNDRAISER
