Newsletter: Term 3 Week 1

July 24th, 2025

From the Principal—Tom Mangan

Welcome back everyone to Term 3

It has been great to see everyone back and happy, even with the cold and wet weather. I have really enjoyed settling back in and getting into the groove of our very fast paced little school.

Thanks to Miss Blackman for her work last term keeping everything running smoothly while I was away. The students will still get to see her on Fridays when we attend Rochester Primary School.

Junior Room

Miss Whitford is currently completing a placement for her University Studies. Today our student's met Miss Robbers who will be partially covering Miss Whitford, I will be covering the other days. Miss Robbers is very excited to be working in our school and getting to know our wonderful community. Please welcome Trish when you see her.

Pie warmer

The Pie warmer continues to be very popular this term with the cold weather. It has been great to see the kids showing their responsibility by bringing their lunch wrapped in foil, name on it and placing it in the tub at the start of the day to be heated ready for lunch.

Beanies

Monday our students had a go at designing a school beanie. We will meet again to finalise a design before sending it through to the manufacturer to work their magic. Watch this space as we share the progress, hopefully we have them while it is still cold.

Book Week

Our celebration of book week will be with a dress up on Monday 18th of August, to coincide with our MARC session. It has been great to hear the students already excited about their costumes, and we can't wait to see the creativity of them.

Picture of costumes are a suggestion only.

Pie Drive

We will once again be holding our Pie Drive this term. This year we are being supported by Sutton's Bakery in Echuca. We will be sending order forms home later this term and it would be great to have some support raising funds for the various projects we complete around the school, as well as financial support for the various activities and camps that students participate in.

Athletics

Our Gr 3-6 cluster athletics are being held in Bendigo on Thursday 28th of August. This is another opportunity for our students to interact with students from our cluster schools. This is great timing as we will be joining with these schools for our Gr 3/4 and 5/6 camps during Term 4.

Parents are welcome to come along on the day to cheer and support. Fingers crossed for some nice weather. A permission form will go up on uEducateUs closer to the date with more details. If parents are keen to attend and will be transporting their child please let me know.

Child Safety and wellbeing at Nanneella Estate Primary school

Information for families and the school community

The Victorian Government has announced new Child Safe Standards to further strengthen child safety across organisations, including schools. The new standards recognise the critical importance of families and the broader school community in maintaining and promoting child safety and well being.

Nanneella Estate PS has reviewed and updated our child safety policies and procedures to ensure they meet the requirements of the new standards. These are available to view on our school website, via uEducateUs, and the general office @ school.

We are committed to continuous improvement in our approach to child safety and wellbeing and welcome feedback from families and members of our school community on ways we can further strengthen our child safety policies, procedures and practices.

If you have any suggestions, comments or questions, please contact Nanneella Estate PS at nanneella.estate.ps@education.vic.gov.au or by phone on 03 5484 5395.

There are 11 Child Safe Standards:

Standard 1: Culturally safe environments – Establish a culturally safe environment in which the diverse and unique identities and experiences of Aboriginal children and young people are respected and valued.

Standard 2: Leadership, governance and culture – Ensure that child safety and wellbeing are embedded in school leadership, governance and culture.

Standard 3: Child and student empowerment – Children and young people are empowered about their rights, participate in decisions affecting them and are taken seriously.

Standard 4: Family engagement – Families and communities are informed and involved in promoting child safety and wellbeing.

Standard 5: Diversity and equity – Equity is upheld and diverse needs are respected in policy and practice.

Standard 6: Suitable staff and volunteers – People working with children and young people are suitable and supported to reflect child safety and wellbeing values in practice.

Standard 7: Child-focused complaints processes – Ensure that processes for complaints and concerns are child focused.

Standard 8: Child safety knowledge, skills and awareness – Staff and volunteers are equipped with the knowledge, skills and awareness to keep children and young people safe through ongoing education and training.

Standard 9: Physical and online environments – Physical and online environments promote safety and wellbeing while minimising the opportunity for children and young people to be harmed.

Standard 10: Review of child safety practices - Implementation of the Child Safe Standards is regularly reviewed and improved.

Standard 11: Implementation of child safety practices – Policies and procedures that document how schools are safe for children, young people and students.

FOUR CRITICAL ACTIONS FOR SCHOOLS

Responding to Incidents, Disclosures and Suspicions of Child Abuse

YOU MUST TAKE ACTION

As a school staff member, you play a **critical role** in protecting children in your care.

- You **must** act, by following the Four Critical Actions, as soon as you witness an incident, receive a disclosure or form a reasonable belief * that a child has, or is at risk of being abused.
- You **must** act if you form a suspicion/ reasonable belief, even if you are unsure and have not directly observed child abuse (e.g. if the victim or another person tells you about the abuse).
- It is strongly recommended that you use the ***Responding to Suspected Child Abuse template*** to keep clear and comprehensive notes, even if you make a decision not to report.

** A reasonable belief is a deliberately low threshold. This enables authorities to investigate and take action.*

1 RESPONDING TO AN EMERGENCY

If there is no risk of immediate harm go to **Action 2**

If a child is at immediate risk of harm you **must** ensure their safety by:

- separating alleged victims and others involved
- administering first aid
- calling **000 for urgent medical and/ or police assistance** to respond to immediate health or safety concerns
- identifying a contact person at the school for future liaison with Police.

Where necessary you may also need to maintain the integrity of the potential crime scene and preserve evidence.

2 REPORTING TO AUTHORITIES / REFERRING TO SERVICES

As soon as immediate health and safety concerns are addressed you **must** report all incidents, suspicions and disclosures of child abuse as soon as possible. Failure to report physical and sexual child abuse may amount to a criminal offence.

Q: Where does the source of suspected abuse come from?

OTHER CONCERNS

- Child FIRST/The Orange Door (in circumstances where the family are open to receiving support)
- DHHS Child Protection
- Victoria Police.

3 CONTACTING PARENTS/CARERS

Your principal **must** consult with DHHS Child Protection or Victoria Police to determine what information can be shared with parents/carers. They may advise:

- **not to contact** the parents/carer (e.g. in circumstances where the parents are alleged to have engaged in the abuse, or the child is a mature minor and does not wish for their parent/carer to be contacted)
- **to contact** the parents/carers and provide agreed information (this must be done as soon as possible, preferably on the same day of the incident, disclosure or suspicion)
- **how to communicate** with all relevant parties with consideration for their safety.

4 PROVIDING ONGOING SUPPORT

Your school **must** provide support for children impacted by abuse. This should include the development of a ***Student Support Plan*** in consultation with wellbeing professionals. This is an essential part of your duty of care requirements.

Strategies may include development of a safety plan, direct support and referral to wellbeing professionals and support.

You **must** follow the **Four Critical Actions** every time you become aware of a further instance or risk of abuse. This includes reporting new information to authorities.
